

TAB 21-22 IMPACT REPORT

BEE CAVE PUBLIC LIBRARY
TEEN ADVISORY BOARD

SEPTEMBER 2021 - MAY 2022

TAB FOR TEENS

Saturdays were spent working on a service project, creating crafts, planning events, making friends, having fun, and so much more!

TAB provides teens the space and place to build and create whatever they want.

TAB empowers teens to take ownership in their community and make an impact in Bee Cave and beyond.

TAB IN NUMBERS

An average of 22 members attended every TAB meeting. With an average of 10 members in 2021, that's more than **double** the membership attendance!

Of the 45 members in TAB, 20 members have donated **10 hours or more!**

This year TAB donated a total of 364 hours to the library and the community!

SERVICE PROJECT

TAB worked with Southwest Trails Learning Center, an organization that provides free after-school care, to build a "book nook" filled with books that celebrate the many cultures and abilities that make this community special.

In March, TAB developed and ran a book drive and, with help from the Friends of the Library, were able to collect more than 50 books and furniture to help equip this diversity-forward book nook.

As a result of TAB's efforts, the students at Southwest Trails Learning Center now have a library they can enjoy for many years to come.

INCREASED LEADERSHIP

This years TAB Officer Panel has doubled in size. In 2021-2022, TAB had 7 members holding Officer Positions. This year TAB will welcome 7 new officers, bringing our leadership board total to **14!**
